

# BOILING POT OF FASCISM

By elevating my consciousness to the revolutionary level, I have come to realize the fascism all around me. I have come to recognize the San Joaquin Valley for the plantation that it is. In becoming a revolutionary, I recognize who the plantation owners are. They are the rich farmers who control the San Joaquin Valley, who have argued for the idea of industrializing the San Joaquin Valley for years. It must be pointed out that the puppet politicians stood up for the peoples' rights only after repeatedly being reminded by the poor and working masses.

In accessing this in seeing how these fascists have neglected black people, their community and its schools, I have broken off from this present governmental system. And I say to all the other slaves on this plantation, 'Declare yourselves in a state of rebellion as I have done. Unite and we will join with the struggle that is going on around the

world to end colonialism!

And in conclusion to my analysis of the San Joaquin Valley and Fresno, its largest city, I find that it is a boiling pot of racism. Toms fly around the shit-smelling poverty programs getting money that smells with the stench of the deceit of the masses into thinking they have something to hope for in the present day governmental system. They fly around these programs like so many flies around fresh shit. I say this, the government should serve the people and if it doesn't, off the government!

And since the San Joaquin Valley greatly exudes all of the qualities of fascism, I say it and all its fascist inhabitants should be dealt with by any means necessary. ALL POWER TO THE PEOPLE. DOWN WITH THE LANDOWNERS. DeWayne A. Williams, Jr.
